

WELCOME TO THE LAKE

Lake Superior. Anywhere you are in Duluth, the lake serves as a permanent backdrop. This lake—the world's largest—is part of everything we do here. And it's one of the most compelling reasons to visit. You'll see whitecaps crashing against the rugged shoreline. You'll see 1,000-foot freighters slip silently past. You'll see sailboats silhouetted against a purple and orange Lake Superior sunrise. But it isn't only the view that makes this lake so incredible—it's also a playground. **SAIL IT. PADDLE IT. JUMP ON IN. GAZE AT IT. WALK ALONGSIDE IT. REVEL IN IT.**

✦ DULUTH HARBOR ENTRY, LAKE SUPERIOR

A BIG PICTURE VIEW The Canal Park pier is one place to see the lake up close—but what about a big picture view? Take a drive along Skyline Parkway, and you'll find Enger Tower, an 80-foot stone structure that sits 600 feet above sea level. This is the place to take those panoramic postcard shots!
